Tell us about your idea. (How would you use the grant to improve energy efficiency/reduce energy consumption?) It would be helpful if you could give an indication of current energy use and possible savings. Maximum 300 words.

If your project is shortlisted for the second stage of the application process you will be asked to present your idea to a panel.

If required, groups that reach the second stage will be provided with sources of relevant technical information to help with their bid.

Does your organisation have a bank account?
